ABOUT US

Uppals Engineering Projects (India) Private Limited (UEPIPL), a construction company focused on the construction industry, was founded by our CMD Vinod Uppal in 24/06/2017. Offering the best of our services, the principal objective of our company is to offer the top-notch construction in a stipulated period. A group of exceptionally skilled engineers, with a wealth of expertise, imaginative creativity, and self-decisive strength, working to the best of their ability, strive to improve constructions.

VISION

1.

To operate as a contracting company with professionalism and a dedication to provide customer satisfaction

2.

To conduct business with integrity to build dependable, enduring, and trustworthy relationships.

3.

To foster an atmosphere that produces knowledgeable leaders and concentrates on the ongoing improvement of our procedures with safety and quality to satisfy and exceed client expectations.

KEY PERSONS

Mr. Vinod Uppal

CMD

(B.E. Civil & MBA Finance)

Mr. Suraj Uppal

Director

(M.A. & B.A. in interior Designing)

Uppals Engineering Projects (India) Pvt. Ltd. is a leading name in the field of engineering and construction, founded by Mr. Vinod Uppal, who holds a B.E. in Civil Engineering and an MBA in Finance. Under the leadership of Mr. Suraj Uppal, our Director with a Master's in Interior Designing, we specialize in delivering innovative and high-quality projects across various sectors, including infrastructure, commercial, residential, and industrial developments.

Our team is dedicated to excellence, utilizing cutting-edge technologies and sustainable practices to meet and exceed client expectations. With a focus on collaboration and transparency, we ensure that each project aligns with our clients' goals while maintaining our commitment to quality, safety, and integrity.

As we continue to expand our reach, we are driven by our mission to create impactful solutions that contribute to the communities we serve. At Uppals Engineering Projects, every project is a testament to our expertise and dedication to building a better future.
